

IADR Committees

Annual Session Committee of five members who have served as IADR General Session Group Program Chairs or a similar experience to manage the overall planning for the General Session program, including the timing and sequence of activities, assist in the identification of potential meeting sites, establishing the theme, symposia, workshops, etc., for the annual General Session. Additional members may include (a) representative(s) from the Local Organizing Committee and the host/sponsoring Division(s).

Awards Review Committee of ten members to arrange the program of the IADR Hatton Competition at the annual General Session and to select winners to receive the awards. The Awards Review Committee will also review the Research in Prevention Travel Award abstracts and select recipients before the annual General Session.

Constitution Committee of nine members to review the Constitution and Bylaws, advise the Council regarding essential revisions, and monitor compliance of the activities of the Association with the Constitution.

Ethics in Dental Research Committee of five members who have expertise in ethics to disseminate the IADR Code of Ethics to Divisional Committees on Ethics and to sponsor education programs through symposia and workshops on ethical conduct in research. The Ethics Committee shall also serve in an advisory capacity to the IADR Board on ethical issues.

Fellowships Committee of six members to advertise, receive, and judge applications for fellowships; recommend policy or policy changes on newly proposed or currently sponsored fellowships; and assist in raising funds for new fellowships.

Innovation in Oral Care Awards Committee of nine members to review and select recipients of the IADR Innovation in Oral Care Awards (sponsored by IADR and GlaxoSmithKline) before the General Session.

Joseph Lister Award for New Investigators Committee a Committee of five members to select finalists for the IADR Joseph Lister Award for New Investigators Competition at the IADR/AADOCR/CADR General Session and to serve as judges of the competition onsite.

KULZER Travel Award Committee: Abstracts submitted for the IADR/AADOCR/CADR General Session (or IADR/AADOCR/CADR General Session in joint meeting years) for the IADR KULZER Travel Award are scored by the Abstract Reviewers. Those scores are then sent to the committee of six members, made up of members of the IADR Dental Materials Group. No members of the IADR Board of Directors may serve as members of the review board.

Membership and Recruitment Committee of eleven members to develop plans and strategies for the recruitment of new members and retention of existing members of the Association. This committee will also consider the development of programs to attract new members and Sections in countries where IADR has not been very active.

Nominating Committee of seven members to advise the Council on the selection of nominees for the various offices of the Association. One of the members shall be the most recent Past President no longer serving on the Board without privilege of serving as chair.

Regional Development Committee of ten members to advise the Board of Directors on the management and direction of the Regional Development Program through evaluation and selection of proposals from Divisions/Sections to undertake programs on oral health research and clinical applications thereof in and for the benefit of developing regions of the world.

Science Information Committee of nine members to develop programs for promoting to the public and the dental profession knowledge resulting from dental, oral and craniofacial research, including policy statements, position papers, and white papers.

Young Investigator Award Committee of nine members, each serving a three-year term, to ensure proper representation of the various disciplines for this award.

Joint Committees

IADR/AADOCR William J. Gies Award Committee: A committee of nine members to select annually the best paper(s) published in the IADR/AADOCR jointly owned *Journal of Dental Research*, one in each of the three categories, Biological, Biomaterials & Bioengineering, and Clinical.

IADR/AADOCR Tellers Committee of three members to tally the votes of the membership of both IADR and AADOCR for elected positions, Constitutional amendments, and any other such business as shall be determined by Council.

IADR/AADOCR Publications Committee: The IADR/AADOCR Publications Committee's role is to review the quality and financial status of the *Journal of Dental Research* and other journals owned jointly by IADR/AADOCR. Membership consists of: three representatives from IADR; three representatives from AADOCR; most recent Past Presidents of IADR and AADOCR no longer serving on the Boards, who alternately serve as Chairs of the Committee. The Editor-in-Chief and Associate Editors(s) of all jointly owned journals and Executive Director shall serve as members without vote.
