NEWSLETTER

July 2021

Welcome to the third edition of our newsletter!

IADR-2021-the virtual experience- is around the corner! I have compiled the program relevant to our group in this Newsletter. Our AGM is scheduled for 15th July 2021, hope to see you all there.

As you know, I have created this newsletter, a Facebook page, a Twitter handle @OralMedPathIADR and an OMPG-IADR website is underway. Please make use of them to showcase your research and connect.

We need your support to maintain these social media platforms and website. Please send your research stories, significant research grants, publications and awards relevant and worth sharing with our member community.

This will be the last newsletter from me as your president and I take this opportunity to thank each and every one of you- colleagues and mentors. It has been a privilege serving you. Keep dreaming, researching and inventing in our 'new normal' universe.
