IADR Announces Recipients of the IADR Centennial Travel Awards for New Investigators

Alexandria, VA, USA, June 22, 2022 – The International Association for Dental Research (IADR) announced nine recipients of the **IADR Centennial Travel Awards for New Investigators**. The recipients were recognized during the Opening Ceremonies of the virtual 100th General Session & Exhibition of the IADR, held in conjunction with the 5th Meeting of the Asia Pacific Region on June 20-25, 2022.

The IADR Centennial Travel Awards for New Investigators assist new investigators residing in low to upper middle-income countries to attend the IADR General Session & Exhibition. The award is designed to encourage new investigators to undertake research and to support their attendance at the IADR General Session & Exhibition for presentation of research in any of the IADR Scientific Group & Network research areas.

The recipients include:

- Bolanle Oyeyemi Akinboboye, University of Lagos, Nigeria
- Marion Arce, University of Chile, Santiago, Chile
- Prabhat Kumar Chaudhari, All India Institute of Medical Sciences, New Delhi, India
- Wei Ji, Wuhan University, China
- Betsy Eva Kasumba, Uganda Dental Association, Kampala
- Eugenia Pilar Consoli Lizzi, University of Buenos Aires, Argentina
- Marina Miteva, Medical University Sofia, Bulgaria
- Ting Sang, Nanchang University, China
- Sonali Sharma, Army Dental Centre, New Delhi, India

About IADR

The International Association for Dental Research (IADR) is a nonprofit organization with over 10,000 individual members worldwide, with a mission to drive dental, oral and craniofacial research for health and well-being worldwide. To learn more, visit www.iadr.org.
