Presenters and attendees at both the IADR General Session and the 12th World Congress on Preventive Dentistry (WCPD) may attend both events for one registration fee. Register before May 1st to take advantage of the additional pre-registration discount.

## Obtaining an Entry Visa

Nationals of some countries will require a visa to enter Colombia. If you are unsure whether you require a visa, you can use [this link](#) to check. You may also use this link to check on the status of your visa. The visa process in Colombia varies depending on your country of residence, so be sure to check with your local Colombian embassy or consulate before you travel.

If you need a visa, we recommend applying **three to four months** prior to your anticipated travel date. Registered IADR/LAR meeting delegates will be able to request a visa invitation letter from IADR at the time of registration and upon request.

To apply for a Colombian visa, you must do so online by using the following link: <https://tramitesmre.cancilleria.gov.co/tramites/enlinea/solicitarVisa.xhtml>. However, the stamping of your passport must take place in person at a Colombian consulate:

Always check what form of ID is required by your individual airline before travelling.
