2023

101st General Session & Exhibition of the IADR

9th Meeting of the Latin American Region

12th World Congress on Preventive Dentistry

Bogotá, Colombia • June 21-25, 2023

[SUBMIT ABSTRACT](#) | [FAQs](#) | [REGISTER NOW](#)

Submit a Late Breaking Abstract!

IADR is now open for late breaking abstract submissions for presentation at the [2023 IADR/LAR General Session & Exhibition with WCPD!](#) You can now submit your late breaking abstract for presentation consideration as part of the IADR/LAR General Session scientific program (June 21-24, 2023). All accepted late breaking abstracts will be scheduled as Interactive Talk presentations.

Submit your abstract to be considered for presentation by following the instructions outlined in the [information for late breaking abstracts](#). Late breaking abstracts must be received by **March 27, 2023**.

Important Dates

- Late Breaking Abstract Submission Deadline: **March 27, 11:59 p.m. PT**
- Late Breaking Abstract Notifications Emailed: **April 4**
- Presenter Pre-registration Deadline: **April 19**
- Exhibit application Deadline: **April 21**
- Non-presenter pre-registration Deadline: **May 1**

For questions about submitting an abstract, email meetings@iadr.org.

Registration

[Registration](#) is open now! Be sure to renew your IADR membership for 2023 to register at the discounted rate. Presenters and attendees at both the IADR General Session and the 12th World Congress on Preventive Dentistry (WCPD) may attend both events for one registration fee. Register before May 1st to take advantage of the additional pre-registration discount.

Focused Learning Sessions *(ticket holders only)*

Thursday, June 22, 12.45 – 1.45 p.m.

- FLS #1: The Graduating European Dentist Taskforce: Domain 5-Research
- FLS #2: Endodontic Treatment: Changing of the Guard?
- FLS #3: Understanding Evidence Based BEHS-Research beyond “Systematic Reviews”
- FLS #4: Pitfalls in Measuring Dietary Exposure as an Oral Health Risk Factor

Friday, June 23, 12.45 – 1.45 p.m.

- FLS #5: Publishing as a Young Researcher: Essentials, Challenges, and Opportunities
- FLS #6: Breaking Apart Saliva Secretion: From Health to Disease

- FLS #7: The Management of Dental Patients with Cardiac Pathology
- FLS #8: Homing Versus Implanting Stem Cells for REP: Reality or Fiction?

Meet a Mentor!

Hands-on-Workshop #1: Meet-a-Mentor Networking Session for New Investigators

Thursday, June 22, 2023

12:45 p.m. – 1:45 p.m.

The Meet-a-Mentor Networking workshop is designed to enhance the learning experience for new investigators. This is an opportunity for all new investigators to network with noted mentors in specific research fields. Senior scientists will lead motivational and realistic discussions about the paths they took during their academic careers.

Eight tables will be organized by research topic or career pathway and one mentor will be assigned to each table. When registering, participants do not need to select a specific table and are free to move among topics/tables during the session.

This event is only available to ticket holders.

Cost: **US\$30**

Spaces Available: **72**

For more information, visit: <https://www.iadr.org/2023iags/featuredpresentations>

Exhibit & Sponsorship

The Exhibition Hall provides an exceptional opportunity to display your company's technology to key opinion leaders and recommenders from around the world. Showcase your impact and influence on the industry through hands-on demonstrations for key thought leaders, researchers in the field, potential employees and future researchers.

Visit www.iadr.org/2023IAExhibits and reserve your spot on our exhibit floor! You can also have a look at our many [sponsorship opportunities](#) to promote your products and services.

Travel & Visa Information

Click here to check if you need a tourist visa to enter Colombia or to check on the status of your visa. The visa process in Colombia varies depending on your country of residence, so be sure to check with your local Colombian embassy or consulate before you travel.

If you need a visa, we recommend applying **three to four months prior (NOW!)** to your anticipated travel date. Registered IADR/LAR meeting delegates will be able to request a visa invitation letter from IADR at the time of registration and upon request.

To apply for a Colombian visa, you must do so online by using the following link: tramitesmre.cancilleria.gov.co/tramites/enlinea/solicitarVisa.xhtml. However, the stamping of your passport must take place in person at a Colombian consulate:

Always check what form of ID is required by your individual airline before travelling.

ACTA 2023 Saliva Symposium

The ACTA Saliva Symposium is back! The 2023 edition will be held at Egmond aan Zee, The Netherlands.

The 2023 Saliva Symposium will give an insight into all the different aspects of saliva and

salivary glands in dentistry and medicine, the application of saliva as a diagnostic fluid and the effects of saliva on food and taste experience. Scientists are brought together from all fields of salivary research, in order to promote scientific exchange. For this symposium you are invited to submit an abstract and present your work by an oral- or poster presentation. Keynote lectures by invited speakers, all experts in their field, are alternated by short presentations of participants.

Deadline for registration and abstract submission: **April 1, 2023.**

For more information, visit: <https://acta.nl/en/events/2023/saliva-symposium>

Short-Term Courses at the Johns Hopkins Global Health Systems Summer Institute

The Department of International Health at the Johns Hopkins Bloomberg School of Public Health is hosting a [Global Health Systems Summer Institute](#). The Institute is a great opportunity for early- to mid-career public health professionals to expand their skill sets and improve job performance. Choose from 23 short-term global courses from June 5–30, 2023, most of which are offered online.

Those taking the courses for non-credit can take advantage of a reduced registration rate. The reduced price is \$200 per credit. Most courses are 2–3 credits.

Topics include global health technology and innovation, health economics, primary health care, global health entrepreneurship, health systems strengthening, the private sector and global health, health systems management, health policy, health financing, and more.

2023 IADR CED/Scandinavian Division Oral Health Research Congress

The 2023 Oral Health Research Congress in Rhodes has been organized by the Continental European Division (CED-IADR) together with the Scandinavian Division (NOF) of the International Association for Dental Research.

Please make sure to secure the dates in your agenda: **September 21-23, 2023!**

We hope you join us on the beautiful island of Rhodes, the largest of all Dodecanese islands

in Greece. Rhodes is located in the southern part of the Aegean Sea and has been in existence since the Stone Age. It is exceptionally situated at the crossroads of three continents, combining the sophistication of Europe with the mysteries of the east. The Medieval Town was named a UNESCO World Heritage Site in 1988.

Science and Research will be the main elements on the three-day agenda, in our efforts to advance research and increase knowledge to improve oral health.

We encourage you to travel to Rhodes to present your latest research! We plan on having a broad scientific program, consisting of state-of-the-art symposia, outstanding keynote lectures, as well as oral & poster presentations by researchers from Europe and beyond, presenting their latest research findings in a wide spectrum of dental disciplines, and workshops organized by the young CED-IADR ambassadors.
