BOOK A HOTEL ROOM

The New Orleans Marriott Warehouse Arts District is the Headquarters hotel for the 2024 IADR/AADOOCR/CADR General Session, and IADR has negotiated preferred rates with several other hotels within a short distance to the convention center. A full list of hotel options near the Ernest N. Morial Convention Center are available with rates ranging from \$179/night single occupancy to \$280/night. View all the IADR recommended hotels:

[BOOK A HOTEL ROOM](#)

It is highly recommended that you only use the official housing provider for IADR as you may be charged incorrectly.

Important: No one from any host hotels in New Orleans or the IADR will call you to solicit your hotel reservation. Travel agencies or housing bureaus that indicate they are representing IADR, AADOOCR, CADR, the 2024 General Session in New Orleans, or any hotel or unaffiliated hotels, are perpetrating a fraud and are looking to acquire your credit card information. Reservations made by unaffiliated organizations may appear to be for lower rates, however they may be illegitimate, have unreasonable cancellation or change penalties, or may be completely nonrefundable. Please be sure to make reservations directly through the official hotels. If you receive a phone call or email, DO NOT make your hotel reservations by telephone or email. Please be aware of and report any such unauthorized solicitations to Leslie Zeck at lzeck@iadr.org.

[Call for Papers – JDR Special Issue on Advanced Imaging in DOC Research](#)

The *Journal of Dental Research* will publish a special issue in 2024 highlighting innovations and applications of advanced imaging techniques for the benefit of dental, oral, and craniofacial (DOC) health. The guest editors are Dana Graves, Professor of Periodontics and Vice Dean, University of Pennsylvania School of Dental Medicine, and Sergio Uribe, Associate Professor and Lead Researcher, Department of Conservative Dentistry and Oral Health, Riga Stradins University, Latvia.

Papers should be submitted to <http://mc.manuscriptcentral.com/jdr> no later than **February 28, 2024** to be given full consideration.

Authors are required to include in their cover letter that their paper is being submitted for consideration for inclusion in the special issue on Advanced Imaging. Papers after this date will be considered for publication in the regular issue of the *JDR*.

***JDR CTR* Call for Scientific Advisory Board Members 2025-2028**

Call for Nominations

JDR Clinical & Translational Research (JDR CTR) is seeking nominees to serve on the *JDR CTR* Scientific Advisory Board (SAB), January 2025-2028.

JDR CTR is seeking nominees with geographic diversity to represent the IADR membership and *JDR CTR* authors and readers, in particular nominations are encouraged from Scandinavia, Latin America, Asia, Middle East, and Africa. Nominees should have expertise in research involving populations, clinical, or applied human and translational research.

Roles and responsibilities

SAB members will be expected to:

- Review a minimum of six manuscripts per year submitted to the *JDR CTR* as invited reviewers by the Editor-in-Chief and the Associate Editor.
- Participate in *JDR CTR* peer review training sessions.
- Serve as regional SAB representatives to support reviewer recruitment and peer reviewer training webinars.
- Regional representatives will be invited to submit topics for Perspectives articles.
- Support diversity, equality and inclusion activities and strategies to increase the gender, ethnicity, and geographical representation of authors and SAB members.
- Advise the editorial team as we establish regional patient involvement groups/public contributors.

Statement of interest

Nominations for *JDR CTR* SAB are asked to submit a statement of interest and a recent CV to Lily Knol, lnol@iadr.org by **July 1, 2024**. Decisions will be communicated to nominees in September 2024.

[Apply for a Travel Award or OSSD's Annual Meeting](#)

The Office of Research on Women's Health (ORWH) is offering a **Science Policy Scholar Travel Award** to support the development of one junior investigator who is interested in women's health or sex and gender differences and is also interested in research policy. The \$6,000 award will defray the cost of attending the Organization for the Study of Sex Differences (OSSD) Annual Meeting on May 6–9, 2024, in Bergen, Norway.

To apply for the travel award investigators must submit an abstract on women's health or sex and gender differences policy. A panel of experts will review submitted abstracts for consideration as a poster, oral session, or symposium at the meeting. If accepted, the author of the chosen abstract will receive the \$6,000 travel award.

Applications are due by February 2, 2024, at 11:59 p.m. EST. For questions about the travel award, scholars should contact Dr. Samia Noursi, Associate Director for Science Policy, Planning, and Analysis at ORWH, at samia.noursi@nih.gov.

Click below for more information about the OSSD meeting, eligibility requirements for the award, and the application process.

IN MEMORIAM

[Harold C. Slavkin](#)

We are deeply saddened by the loss of Dr. Harold C. Slavkin, the Twenty-second President of the AADOCR (1993-94). Slavkin lived a full life in service to others. He was an international leader in dentistry, dental research, and oral health. He was driven by a commitment to social justice and a passion to eliminate disparities in access to healthcare. A tribute to Dr. Slavkin will be published in an upcoming issue of *Journal of Dental Research*.

Slavkin was interviewed by Dr. Yang Chai, Director of the Center for Craniofacial Molecular Biology at the University of Southern California, as part of the NIDCR 75th Anniversary Symposium at the 2023 AADOCR/CADR Annual Meeting in Portland, OR. Slavkin reflected on his vision for NIDCR, his accomplishments, and memorable moments as NIDCR director.
