News and Views

Greetings MTG members! We hope you have had a happy and productive first half of 2018.

Elections

MTG will be holding elections for our next Vice President and Councilor around October 2018, in conjunction with other IADR elections. Each IADR Member or Retired member will receive a ballot and IADR Student members will receive the ballot for the Scientific Group or Networks to which they belong. Please vote!

MTG sessions at the 2018 IADR

The 2018 IADR conference is fast approaching: **IADR** in London, England from July 25-28, 2018

MTG-sponsored oral and poster sessions are listed below. Please try to attend the MTG business meeting on Thursday at 5:00 pm to network and hear about MTG activities and congratulate the **IADR MTG Outstanding Young Investigator Award for Student Research**

winners. Our joint reception follows at 6:00 pm, and will be held with Craniofacial, Pulp Biology, and Stem Cell Biology groups.

Wednesday, July 25

Symposium: Dental Mineralization Disorders:
Bench to Bedside

1:30-3:00 pm

CC (Conference Center), Capital Suite 6, Level 3

Symposium: The Role of Nano-hydroxyapatite
Technologies in Dentistry

1:30-3:00 pm

CC, Capital Suite 12, Level 3

Oral Session: Mineralized Tissue I

3:15-4:45 pm

CC, South Gallery 22, Level 2

Thursday, July 26

Symposium: Bone Mechanical Stimulation and its
Therapeutic Applications

9:45-11:15 am

CC, Capital Suite 11, Level 3

Poster Session: Mineralized Tissue II

11:30 am -12:45 pm

CC, S10 Exhibits/Posters, Level 1

Poster Session: Mineralized Tissue III

4:00 pm -5:15 pm

CC, S10 Exhibits/Posters, Level 1

Business Meeting of the IADR MTG

5:00-6:00 pm

CC, Capital Suite 9, Level 3
